NOW THIS MOU / AGREEMENT WITNESSES AS UNDER:

Having a Students chapter is an important functioning element of Builders' Association of India, Idukki Centre and it will act as its representative office at institutional level.

- Objectives of Student Chapters
 - To instill the spirit of belonging to the fraternity of engineers, technologists, architects, managers, etc in a student aspiring to become one.
 - To provide a forum for the members for the development of personality, technical skills, entrepreneurship capabilities as well as to provide guidance for career selection.
- Formation of Student Chapters
 - A Students Chapter may normally be established in any technical / educational institution under the Idukki Centre of Builders' Association of India.
 - The minimum number of students needed to establish a BAI Students Chapter shall be 20.
- Faculty Advisor
 - There shall be two members nominated from Professors or Assistant Professors by the Institution as Faculty Advisor by the BAI Students Chapter and both shall work together in coordination for the smooth functioning of the Students Chapter.
- Registration of Student Member
 - Application for membership shall be made in the prescribed application form to the Faculty Advisor of the Student chapter.
 - The Head of the Institution / Faculty Advisor / BAI Idukki Centre shall have the power to refuse admission to any applicant without assigning any reason.
- Membership of Student Chapter
 - i. Members belonging to a technical or professional organization may apply to the Executive Committee of Idukki Centre, Builders' Association of India for the formation of a Chapter provided there are at least twenty (20) members in that organization. It is desirable that the Institution by itself be a member.
 - ii. The functioning shall be regulated by rules framed by Idukki Centre, Builders' Association of India and the Institution which should be in consonance with the aims and objectives of Builders' Association of India and its Rules and Bye-laws.
 - iii. In the event of a dispute in the functioning of the Chapter, the matter shall be examined by the Executive Committee of Idukki Centre, Builders' Association of India and its decision shall be binding on all concerned.
 - iv. The Chapters shall organize National/ Regional/ State level Seminars, Workshops, Conferences, Technical visits etc. in cooperation with the Idukki Centre of Builders' Association of India.

v. The chapter shall associate with builders & contractors to provide internship programmes to its members for familiarizing the nature of work in various projects and issue certificates on completion.

vi. It is the duty of the Chapter management to keep the appropriate Institution and Idukki Centre of Builders' Association of India informed of its functioning including rules framed, finance, activities undertaken and about any other matter which the Section / Headquarters may desire.

vii. The Executive Committee of Idukki Centre, Builders' Association of India shall have the authority, subject to the rules of Builders' Association of India, to oversee the functioning of a Chapter, including its closure, if necessary.

viii. The affairs of the Chapter will be managed by a Managing Committee, the composition of which shall be as follows:

- (a) Chairman
- (b) Honorary Secretary
- (c) Treasurer
- (d) Three Members from the Student members.
- (e) Two Faculty Advisors.

(i) Five members nominated by the Executive Committee of Builders' Association of India, Idukki Centre.

ix. The members of the Chapter Managing Committee including the Chairman, Honorary Secretary & Treasurer shall be elected by the members of the Chapter from amongst its members.

x. The Advisory Board of the Student Chapter shall consist of the five members from the Executive Committee Members of Idukki Centre, Builders' Association of India and two Faculty Advisors nominated by the Institution.

xi. The minimum Quorum for the Managing Committee Meeting will be 40% of the total Managing Committee Members and approval of matters by a simple majority by show of hands is sufficient.

xii. For the conduct of the Annual General Meeting, the minimum quorum shall be 30% of the total Membership of the Student's chapter and for approval of any matter a simple majority by show of hands is sufficient.

xiii. Membership in the Student Chapter will be valid only during the period of study at the Institution at which the student is registered and will automatically stand terminated on completion of the course or when the student ends his association with the Institution at which the student is registered. A fresh BAI Student membership is to be taken for every new course of study.
